

Primary School

Dear Parents, Caregivers and Community Members,

I would like to offer a warm welcome to the 2016 school year to all of our students and their families. I have joined Endeavour Primary School as the Principal while Mr Hansen is recovering from illness. I'm very excited to be part of the wonderful team and look forward to supporting the staff and students to achieve their goals as the year progresses.

The commitment from staff to ensure a smooth start to the year must be acknowledged as they have had to overcome many ICT difficulties due to our system upgrade that began last week along with the many hours of planning and preparation for the first week of student learning. Our major upgrade will continue in the coming weeks, resulting in more reliable and user friendly access for staff and students.

In my visits to classrooms and in the playground, I've been very impressed with the respect and positive attitude to learning displayed by students who seem excited to be back at school. Next week our student leaders will be attending their overnight leadership camp at Point Peron setting them up for a successful year in their respective roles.

Apart from myself we have two new staff members starting with us this term:

Sarah Streppel and Belinda Henderson both teaching in G3 – Year 4.

A full list of Endeavour Schools' staff is included for your information.

Important reminders for the start of the year:

1. As a Sun Smart school all students are required to wear hats for outside activities.
2. Students arriving earlier than 8:25am MUST report to and stay in the Undercover Area.
3. Our schools' Dress Code" is strictly adhered to at all times.
4. School Fees can be paid at any time – the schools have EFTPOS facilities available at the front office.

I look forward to the many achievements and success ahead for all of our students in 2016.

Phil Springett - Principal

Education Support Centre

Hi everyone,

Welcome back everyone! I am so pleased to see every one back safe and healthy after their holiday and I hope that you have all had a wonderful time with your family and friends. Are you ready to be the best that you can be? Are you ready to do the best that you can do? That's my challenge to all Endeavour students for 2016 and I'll be checking in with students throughout this year to see if they can tell me how they are going at achieving this goal. I'm looking forward to their answers.

We've had some new students and their families join us this year and we're so glad they are now part of Endeavour Schools. We've got Marley Thomas (Room 6), Lauren Gross and Marlee Hall (Room 16) and all our new Kindy kids – Diesel, Lilyan, William, Te Awanui, Ciahn and Jaime in EC6. We hope you have all had a great start to the year so far and I'm looking forward to catching up during the next few weeks. You ALL looked fantastic in your school uniforms on your first day – keep up the great work.

This year we welcome back all our returning 2015 staff as well as Mrs Kate Marsden, who has been teaching high school students for the past two years and will be in the Year 4/5 class in Room 25 this year.

Classes have all settled in very well this week – even with the strange summer weather we have been having – and students (and staff) have already been working hard. Well done to a fantastic start for the year everyone! Once again this year we've got all the regular events planned throughout the year starting this term with the ESC Swimming Carnival, FAF Fair, Incentival and Endeavour Dollars return at the end of the term. It's going to get busy!

Please remember that we are here to help you with whatever you need for your children so please ask us if you have any questions and keep an eye out for classroom information that is sent home either in communication folders or on classroom notice boards. If you ever need any information about what is happening around the Schools then please contact the front office on 9524 5000 during office hours or leave a message after hours and we'll get back to you as soon as we can. Don't forget - the Schools' Newsletter always has a calendar of Important Dates on the front page for your information about what is coming up next at School.

Until next time,

Jayne Gorbould - ESC Principal

Parking around the School

We ask all drivers to please show courtesy to our neighbours and not drive and/or park on their lawns and driveways. With the weather being so lovely at the moment, you might choose to park a bit further away from the school and enjoy a short stroll.

Please be aware that the two car parks at the front of the school (Endeavour Drive) are for STAFF or ACROD PERMIT HOLDERS ONLY.

COMPUTER & INTERNET AGREEMENT

At the beginning of each year, all teachers ensure their students understand the rules associated with appropriate use of computers and the internet. Students in Years 1-6 sign a computer usage agreement which is basically a promise to use computers responsibly. These signed agreements are kept in the classroom and any parent who would like to obtain a copy should contact their child's teacher.

ADF Families

Hello. My name is Suzanne Waddell and I am the Defence Schools Transition Aide (DSTA) at Endeavour Schools. Welcome to all new and existing ADF families. I hope you are settling in well.

I hope that the year will be a very busy and successful one. I am looking forward to meeting families new to our area. If you need assistance or just want to drop in for a chat, I am available on Mondays and Thursdays.

**Suzanne Waddell
DSTA**

If you wish messages to be delivered to students, please ensure that you phone at least 1/2 hour before the end of the school day to ensure you give enough time for the office to deliver the message.

If we are not given enough time, we cannot guarantee that messages will be delivered.

We thank you for your understanding in this matter.

The Office Ladies

Community Health Nurse

Welcome to the new school year. My name is Bev O'Halloran and I am the Community Health Nurse who visits Endeavour Schools.

Community Health Nurses work in schools to promote healthy development and wellbeing so students may reach their potential. A major part of my work is focused on early intervention and the School Entry Health Assessment program.

Community Health Nurses serve as a health contact point for children and their families to provide information, assessments, health counselling and referrals. The services are confidential and provided free.

If you have a concern about your child's health or development, please contact me on the number below or through the schools' front office.

Regards,
Bev O'Halloran

Endeavour Schools have EFTPOS facilities available in the front office. This facility can be used for payments over \$5 such as contributions, swimming lessons or excursions. Smaller amounts must go through the class money books.

Parents are encouraged to make payments in advance for any future expenses such as swimming lessons, incentives and excursions.

These payments will be held as credit in your child's account and then allocated against excursions as they occur.

Payment can be made by cash, EFTPOS or direct deposit. Credit card payments can be made over the phone as well as in the office.

A change to our payment plan policy will mean that all incursions / excursions will need to be paid **IN FULL** before the due date otherwise your child may not be eligible to attend.

If you require any more information, please see the front office.

Music News

The Recorder band will rehearse before school every Wednesday morning from 8 to 8:25am, in the music room. It is for advanced recorder players and students who would like to play instruments to accompany the recorders.

Congratulations to a select group of ten Year 5 and 6 students who have been granted the opportunity to learn the flute. We wish you the best with your practise and look forward to hearing you play at school events throughout the year.

Choir students need to bring a water bottle and folder, file or display book each week.

Senior Choir, Year 4 to 6, is on Thursdays, from 2:10pm - 3pm.

Junior Choir, Year 2 and 3, is on Fridays, from 2:10pm - 3pm.

Junior and senior dance groups will be advertised later this year. Thank you to Mrs Cross and Miss McInerney for, once again, volunteering to run these sessions.

Music Specialist**

Sun Safety

Did you know...

2 in 3 Australians will be diagnosed with skin cancer by the age of 70?
Australia has one of the highest rates of skin cancer in the world?
Over 1000 people a day are treated for skin cancer in Australia?
Check out this website for more facts about being sunsmart; www.sunsmart.com.au.

Children whose parents model sun protective behaviours are more likely to practise sun safety themselves.

So don't forget to:

- Slip** on a shirt; **Slop** on some sunscreen;
- Slap** on a hat; **Seek** some shade; and
- Slide** on some sunnies.

PLEASE LABEL ALL ITEMS OF CLOTHING, DRINK BOTTLES AND LUNCH BOXES SO WE CAN RETURN THEM TO STUDENTS WHEN THEY LOSE THEM.

Community Notices

Please check the noticeboard outside the staffroom regularly for community events and sporting information received by the schools. Notices in the Community Advertising section are inserted for your information. The schools are not associated with any of these groups or businesses.
