## From the Principals

### Primary School

Hello Parents, Caregivers and Community Members,

The 2014 school year has come and gone and we will be entering a new phase of the Endeavour Community in 2015 as an Independent Public School.

2014 has had its ups and downs but I'm pleased to say with more ups – a successful year in many facets of school life – academically, sporting, social and personal development of all students.

There are many people and groups who deserve individual recognition for their tireless efforts over the year; however it is nearly impossible to name all here so I'll say a combined thank you to the Endeavour Community for your support and encouragement over this year.

As a staff we say goodbye, good luck and a huge thank you to Miss Sam Benn, Miss Caitlin McNamara, Miss Jessica East, Miss Jessica Clark, Mrs Eryl Lewis, Mr Gary Wesley and Mrs Sarah Streppel. Your work and dedication to educating the students of the Endeavour Community is truly valued and appreciated.

Well done and farewell to our graduating Year 6 and 7 students and we all wish you well on your journey into high school. Also, congratulations to all award winners this year.

I would like to wish everyone a very Merry Christmas and a successful and happy New Year.

Please be safe over the holidays.

**Alan Hansen - Principal**

### Education Support Centre

Dear Parents and Caregivers,

Once again we find ourselves at the end of another year. It has been a busy year for all of us here and we have been able to reflect on all that has happened in our recent assemblies, concerts and ceremonies. What a fantastic school we have at

Endeavour! I can't thank you enough for all your support throughout the year and I am looking forward to the excitement and challenges of 2015.

Our students have worked extremely hard this year to achieve so many of their personal and academic goals. We wish our Year 6 and 7 students all the best for their move to high school in 2015 and know that they are well prepared for the challenges ahead. Class lists and room allocations will be ready for announcement at the start of next year for staff, students and parents. This is due to the fact that student enrolments for 2015 are still being decided and will continue until Christmas.

As you may know, we will have reduced student numbers next year due to the Year 7s no longer attending our school and this has had a significant impact on our staffing arrangements. Small schools are greatly affected by changes in student enrolments and we are in a position where Education Assistants from our school will be moving to other schools where there are positions available for them. This is a very sad outcome for us as we all work very closely together and have strong friendships and a common dedication to our students. I'd like to personally thank all my staff for all that they have done for the students at Endeavour Schools.

We also have two of our Education Assistants who have been successful in gaining positions at other schools in 2015. Mrs Alison Tomlison-Bowles will be moving to Tuart Rise Primary School and Ms Yolanda Haunold will be moving to Halls Head Community College. We wish them all the best at their new schools and we know that they will be a great asset.

I'd like to wish you all a very Merry Christmas and hope that you have a safe holiday.

See you next year.

**Jayne Gorbould - Principal**

# Students Councillors 2014

This year Molly Savory, Abbey Eddington, Chloe Johnson, Erin Herbert, Sarah Legg, Ethan Lamont and Liam Williamson were honoured to be the student councillors for 2014.

This year has been busy, with assemblies, concerts and extra events needing to be set up, as well as deciding the uniform bears and golden broom awards. But we have met a lot of people and improved our leadership skills along the way. Some of the things we have done this year have included fortnightly assemblies, council meetings, certificate reading, leader's camp, ANZAC ceremony, school photos and the book awards ceremony. Over all we have had a great time. We wish the new student councillors for 2015 the best of luck.

**Defence Force Transition Aids**

Congratulations to Mackenzie Bauld who has been selected to be a part of the 2015 State Junior Calisthenics team.

The team will travel to the Gold Coast in July 2015 to compete against other states at the National Championships.

Well done Mackenzie.

## Kmart Wishing Tree Appeal 2014

Endeavour Schools would like to thank their students and staff for their very kind donations towards the 2014 Kmart Wishing Tree appeal.

A total of \$1235.45 was raised and students from Rooms 16 & 19 went shopping to choose gifts which were delivered to the Kmart Wishing Tree.
