

On Wednesday, 3rd April the Kindergarten children in EC4, EC5 and EC6 hosted their annual Easter Hat Parade. Guests were treated to three Easter inspired songs sung by the children and were able to get a glimpse of this year's newest Easter fashion as the children paraded their unique designs down the runway. Thank you to all the families who were able to join us on this special day.

From the Pen of the Principals

Primary School

Dear Parents, Caregivers and Community Members,

FAF Fair

Last week we held our annual FAF Fair. The students had the chance to complete many activities with their buddy. I would like to congratulate all our students for demonstrating our four school values during this event and for being positive role models. It was great to see so many parents come along and join in. Thank you to all the staff for organising the activities for our students.

Facebook Page

Our official Facebook page went live last week and we are already up to 125 likes! You can follow the page by searching for 'Endeavour Schools'. Please be advised that photos of students will start to be used from the start of Term 2 and will be in accordance with currently held parent photo permission consents and Department of Education policy (e.g. similar to how photos are used on the school website). If for any reason you do not wish for your child's photo or their work to be used on the page please let the office know so we can make note of this.

Afternoon Tea Event

In Week 10 an afternoon tea event will be held for nominated students and their parents. Students invited have been selected due to the improvement in their writing over the course of the term. Each term we will hold one of these events, with each one having a different focus. This is one of our new whole-school approaches to support positive behaviour and work output.

YMCA Information Session

YMCA WA, who will be providing the before and after school care service on site, will be holding a parent information session next week. This will be held on Monday, 8th April 2019 in the staffroom and commence at 5:00pm. The session will provide information about the service provision and an opportunity for parents to ask any questions.

ANZAC Day Service

Next week on Wednesday, 10th April 2019 we will hold our annual ANZAC Day Service. This is a chance for our school community to pay our respects to all Australians who have been involved in wars and conflicts. At this service our 2019 'Adopt A Digger' will be announced. All parents and school community members are invited to attend.

As this is the final newsletter for the term I would like to thank everyone in our school community (students, staff, parents and volunteers) for starting this year on such a positive note. Have a safe holiday break and we look forward to seeing everyone next term.

Chris Burgess - Principal

Education Support Centre

Dear Parents and Caregivers,

This week saw us celebrating Autism Awareness Day on Tuesday. We had a lots of events on the day at recess and lunchtime for all our students and we raised \$168 for a very worthy cause. Thank you for all the work our parents, staff and students did in making this a very successful event for our Schools in raising awareness of people with autism in our lives wherever we may be. Here's some of the fun from the day.

As this term draws to a close I wanted to let you know about some minor staffing changes that will occur in Term 2. In Room 6 Miss Erin Moodie has won her position to cover Mrs Jemma Bryden's maternity leave until the end of Term 3 and Mrs Marta Reid has been appointed for Thursdays and Fridays until the end of the year. In EC6 Mrs Karen Brown will be leaving us and returning to the primary school to further support individual students across our school.

Mrs Berrin Baydar who teaches in EC6 on Wednesdays and Health across other classes, has taken her maternity leave early and we are currently recruiting a new staff member to cover her leave. We'd all like to take this opportunity to wish her all the very best with her new arrival due in a couple of weeks. We are expecting Mrs Baydar back at the end of the year.

On Thursday, 11th April all our Year 1 - 6 students are going on an excursion to the beach for our annual Beach Carnival. We had to wait to confirm this date and venue with the Rockingham City Council as to whether we are able to use the facilities at Bell Park on Rockingham Foreshore before we could go ahead with the Beach Carnival which has only just come through this week. We would love for you to join us on the day and join in all the fun. Letters with the details and permission slip will go home today.

Hope to see you there

Take care,

Jayne Gorbould - ESC Principal

Positive Behaviour Expectation in Focus: Respect

Our student leaders define respect as to treat someone fairly and with kindness. This includes the tone, language choice and body gestures we use when communicating and interacting with others.

At Endeavour Schools the positive behaviours we strive for our students in relation to respect are:

- I listen to others.
- I follow staff instructions.
- I keep my hands and feet to myself.
- I share space and take turns.
- I use appropriate language and manners.

Year 6 Science with Mrs M. Hamill

We have been looking at the bread making process and the yeast micro-organism. After observing, tasting and recording information about different types of bread, creating a flow chart of how bread is made, we conducted two experiments — ‘What happens when yeast is mixed with sugar and water?’, and ‘What is the best temperature for yeast to be active?’

Voluntary Contributions Incentive Draw

Voluntary contributions play an important part in enhancing the education service that we can provide at Endeavour Schools. All contributions received go back into providing resources for our teaching & learning programs.

To encourage the early payment of these contributions, an incentive draw is being held at the end of this term. All families who have paid their voluntary contributions by the end of Term 1 will go into a draw to win a \$100 uniform voucher from our P&C uniform shop.

Payment can be made via cash and EFPTOS services within the school office or direct deposit into the school's bank account. We would like to encourage all families to contribute when they can. Thank you for your support.

Payment can be made via cash and EFPTOS services within the school office or direct deposit into the school's bank account. We would like to encourage all families to contribute when they can. Thank you for your support.

EASTER RAFFLE

\$1.00

\$1.00

It's that time of year again.

We have an amazing amount of donated yummys that we are making into prizes for our Easter raffle. Last year we had a whopping 49 prizes! Just think for only \$1 you could be one of our winners!

Money and tickets need to be returned to the office by 8:40am on Friday 12th April. This is the last day of school for Term 1 and the raffle winners will be drawn on this morning.

Extra tickets are available at the office for friends and family. The funds raised from this event will go towards the Early Childhood Playground.

P&C Newsletter

Hello, Team Endeavour,

Firstly, I want to thank all of the amazing people who came to our AGM. To have so many new faces who want to help their kids' school in what ever way they can was amazing. Your fresh faces have invigorated those of us who have been very busy the past few years. I'm so excited to share the next year with you. We have so many fresh ideas already coming in. The excitement level is awesome! So thank you, thank you for coming and saying 'Yes. We want to help'. I can't wait to see you at the next meeting.

Secondly, have you seen the new Early Childhood installation? It's huge and amazing and the kids are loving it. Great work Team! You have made this happen. We still need a large sum to do a few finishing touches so we still have a fair way to go but thank you!

And in case you missed it, we had an amazing number of students and staff involved in our Crazy Hair Day. We raised over \$500. That is nearly everyone in the school involved. Our winners all enjoyed their free icy pole from the canteen with their super cute certificate. Good work to the families that put in a huge effort. Some kids said they were up at 5am to get started!!!! If any of you amazingly creative families want a job, get in touch ASAP. We are always looking for arts and crafts people to help out at our events! And thank you to those amazing teachers who also did their hair. Wow! Not only do your teaching skills blow me away but also your creativity. Do we have the best teachers or what?!

So what's next for the P&C? Well, most of it is still in the early stages of planning with our new committees which, if you're interested, it's not too late to join. (See back of newsletter). We can advise that we have our huge Mothers' Day stall coming up in Week 2 of Term 2. We have some amazing families making great crafts, giving us a record number of items to sell. But get in quick as we sold out on items early last year. We cannot put anything aside if you forget your wallet as we don't have enough stock. We will be asking for some donations for our raffle prizes first week back too so keep an eye out for raffle tickets coming home at the end of Week 1, Term 1. What's after that? Wait and see.....

Meet our new President : Melissa!

How long have you been a part of the P&C?

I started as Fundraising Coordinator in 2014 although I had last year off.

What has been your favourite moment being on the P&C?

Meeting other parents and forming some amazing friendships

What's your favourite event and why?

Oh that's easy, its not actually a P&C event; its our Faction Cross Country. It's such a proud moment watching all those kids, no matter what faction they are in (even though Centaurus is best). It's guaranteed to bring a tear to my eye every year. So proud!!

What would you love to achieve next?

I'm looking forward to working as part of an amazing team to help raise even more funds to benefit the students. I would love to create a closer bond between the P&C and parents/guardians.

Please cut out and return to the front office (Anonymously if you want)

- ◆ I would love to help out but I don't want to be a member of the P&C. **Y / N**
- ◆ If we were to be lucky enough to get a Bunnings sausage sizzle, would you be willing to give up a few hours on the weekend?
Y / N
- ◆ Call me, text me or email me. My name is _____ on _____, I would love to be put on a helper list in the event I'm available.
- ◆ Please let me know when the next P&C Meeting is on: _____

Supporting Your Anxious Child

For parents and carers

Are you concerned that your child seems overly worried or anxious? Do they often complain of stomach pains or of feeling sick? Do they often seem irritable, regularly having emotional outbursts? Then they may be experiencing anxiety.

This workshop explores anxiety in an easy to understand format and gives you strategies to support your anxious child. We will cover:

- Recognising the signs and symptoms of anxiety
- What causes anxiety
- How we can support our children when they become anxious
- Understanding our own reactions to our child's behaviour and fears

Tuesday 9 April, 6.30pm to 9pm

Don't miss out! Book by Thursday 4 April

Lotteries House, Anzac Place, Mandurah

\$30 per person (\$15 for concession card holders)

**Places are limited so book now on 6164 0588 or
Email: Mandurah.Education@relationshipswa.org.au**

ENDEAVOUR Out of School Hours Care

YMCA Endeavour is located at Endeavour Primary School providing Before and After School Care.

We have a team of qualified and passionate educators who are committed to providing a high quality and inclusive environment for all school aged children. We also provide Vacation Care, facilitated at St Bernadettes Catholic Primary School.

**Qualified
& passionate
Educators**

Our team

Educators at YMCA Endeavour believe each child has their own unique essence that makes them special individuals that deserve to have a safe and nurturing environment to allow them to grow, learn, flourish and express themselves.

Children have the right to feel valued and it is important for them to feel a sense of belonging as this helps them in the development of who they will become. We understand that each child is different and we like to provide a welcoming space that is a supportive and safe environment for them to explore their own interests while having the opportunity to try new activities.

We understand that each child needs time to just "be", to play, to try new things, to explore their environment and to just have fun.

Operating times (Monday to Friday)

Before School Care 6:30am to School Starts

On a regular day in Before School Care, children are involved in quiet activities that help prepare them for the school day ahead.

After School Care End of School to 6pm

During the afternoon children are offered a nutritious afternoon tea, the opportunity to complete any homework and join in on a range of age appropriate activities until children are collected. Educators work closely with children to develop a program that is based on their interests and skill level.

Please ensure that your child is collected prior to 6pm, due to staffing requirements late fees will apply to families who collect their children after this time.

Vacation Care 7am-6pm

Location for Vacation Program:
St Bernadettes Catholic Primary School
Grand Ocean Boulevard, Port Kennedy.

Fees**

Full fee rate*	
Before School Care	\$22 Permanent booking \$24 Casual booking
After School Care	\$33 Permanent booking \$35 Casual booking

*The new Child Care Subsidy (CCS) is effective from 2 July 2018 and will be applied straight onto your account. Please complete your Centrelink Child Care Subsidy Assessment now through your MyGov account. This is important as your current CCB/CCR eligibility does not roll over into the new financial year. If you do not complete your assessment you may not receive any subsidy from 2 July 2018.

**Subject to change, prices effective from 1st July 2018.
