

PERFORMING ARTS ROCKS AT ENDEAVOUR

Creative, expressive, academic, social and fun!

CLASS MUSIC

In class music lessons students use games, dances, instruments and iPads to explore the elements of music and how to create with them.

SCHOOL INCURSIONS

Each year we all get to experience professional live performances so we can be inspired by others and learn more about music outside of school.

SENIOR CHOIR

Our Senior Choir is part of the Combined Schools' Choir and they sang at the ANZAC Day and Vietnam Veteran's Day services, supporting the TPDVWA and local families.

YOH FESTIVAL MANDURAH

Our Year 5 & 6 Yoh Dance Group performed at the regional heats last term and won an invitation to perform at the state's Grand Final competition next Friday night, 25th October, at MPAC.

JUNIOR CHOIR

They had fun performing at the Rockingham Choir Festival at Rockingham High School last term. They also loved watching the other choirs and joining in on the massed songs.

DRAMA

Our Year 5 & 6 students are studying drama this semester and will perform plays for their buddy classes and the Year 4s. Parents will be invited.

Endeavour Schools' Values

Respect

Responsibility

Reconciliation

From the Pen of the Principals'

Primary School

Dear Parents, Caregivers and Community Members,

Welcome back to the final school term for 2019. I have been impressed with the way our students have quickly settled back into the routines of school and look ready to finish the year off by continuing to do their best.

Faction Carnival

Friday is our annual faction carnival and it is always an enjoyable day. The main focus of the day is on participation and students having a go at all activities. Parents and community members are invited to come along and join our students for the day— please feel free to come dressed in your child's faction colours! A program for the day can be found later in this newsletter. I would like to thank the staff for their time in preparing students for this event and especially Mr Nurse and Mr Ahearn for their overall organisation leading up to it. The weather is looking perfect for the carnival. Good luck to all factions and competitors.

2020 Planning

The school will soon commence the process of allocating students into classes for 2020. If you know your child/ren will not be attending Endeavour Schools next year, can you please advise the school office as soon as possible. Having accurate student numbers will ensure we are adequately staffed, will help us structure classes appropriately and will reduce the likelihood of us having to restructure classes in 2020. Should you have any requests which are based on educational needs that you would like considered, please submit them in writing to the school office by 24th October. Whilst every effort will be made to accommodate requests, no guarantee can be given with regards to any placement.

Colour Run

Thanks to our wonderful P&C for organising the Colour Run at the end of last term. It was certainly an explosion of colour and all our students and teachers really enjoyed themselves. It was fantastic to see the event being supported by so many parents and community members. What a great way to finish the term!

2020 Kindergarten Information Session

The 2020 Kindergarten Information session will be held on Wednesday, 30th October 2019 in the staffroom. The session will commence at 9.00am and include three parts:

1. General school information (attendance, uniforms, times etc).
2. A tour of the school site with a focus on the early childhood area.
3. Specific information about the kindergarten program presented by current early childhood teachers. Morning tea will be provided and we hope all our kindy parents will be able to attend.

Greg Croll - Acting Principal

Education Support Centre

Dear Parents and Caregivers,

Welcome back to Term 4! I hope you all had an enjoyable and relaxing holiday so that you are ready for the final term of 2019.

We have lots of new and exciting things happening in Term 4. Room 6 will be attending Hydrotherapy this term every Tuesday so don't forget to bring your bathers, towel and other accessories along every Tuesday. If you have not yet paid please do so, and place your yellow envelope in the mailbox in the front office for the ladies to process.

ESC Camp is coming up very soon and I've been hearing from many of the students about how excited they are! Mrs Savell-Stewart and I went to visit the camp on the holidays to learn all about the activities and learning experiences that are available for the students while we are at camp and I'm sure there is too much to see and do in the time that we will be there but we'll have a go at everything we can.

Much planning and preparation goes into organising a school camp as I am sure you can imagine. Payments can be made at the front office if you haven't already done so.

Congratulations to all our ESC staff and students who participated in our ESC Swimming Carnival at Aqua Jetty with students from Koorana, Rockingham Beach and Leda last term. A great day was had by everyone and thank you to everyone for their assistance in organising this annual event.

School Bus Services for 2020

If your family utilises the school bus service for Endeavour Education Support Centre, or would like to do so in 2020, then you need to log on to their website and complete an application or make any changes BEFORE 15th November 2019. There are some eligibility and distance restrictions with student access to the school bus service so please check the guidelines on the website when you are applying. I would encourage all families to make enquiries if you would like to access this service. The school bus website is www.schoolbuses.wa.gov.au. If you encounter any problems in accessing the website you can also submit a hardcopy application (I have some available in the front office if you'd like one), however these forms take longer to process.

And finally, don't forget to come along to our Learning Journey on Thursday, 24th October straight after assembly till recess. We look forward to welcoming you to our classes and specialist areas to see all the wonderful learning that your child has been doing.

Jayne Gorbould - ESC Principal

Positive Behaviour Expectation In Focus: Respect

Our student leaders define respect as to treat someone fairly and with kindness. This includes the tone, language choice and body gestures we use when communicating and interacting with others.

At Endeavour Schools the positive behaviours we strive for our students in relation to respect are:

- I listen to others.
- I follow staff instructions.
- I keep my hands and feet to myself.
- I share space and take turns.
- I use appropriate language and manners.
- If due regard for the feelings, wishes, or rights of others.

Vac Swim 2019 / 2020

Enrol now for VacSwim summer holiday swimming lessons!

With swimming pools and beaches a big part of the Western Australian lifestyle, it's essential that your children learn how to swim and stay safe in the water.

VacSwim is for all children - from beginners to more advanced swimmers. Your children can start as young as five years old.

There are over 180 VacSwim locations around Western Australia, so wherever your family is spending these summer holidays, there will be lessons near you.

Enrol your children in VacSwim now at education.wa.edu.au/swimming.
