Issue 10

Why we should stop using plastic water bottles now!

During Term 2, Room 7 have been learning about the impact consumer purchasing decisions can have on a family, the community and the environment. After learning about the devastating impact plastic water bottles are having on our bodies and the planet, we decided that things need to change. Will you say NO! to purchasing the putrid plastic water bottle? Maybe these letters may help change your mind!

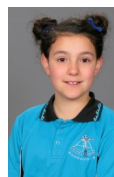

I strongly believe that everybody should stop using plastic bottles now as they are bad for the environment, bad for your body and they just go to waste to kill the wildlife. Do you want to be one of those million people doing disgusting, horrible and bad things to you, the environment and the wildlife? They are destroying our beautiful, amazing and magnificent land and killing our oceans and sea creatures. The wildlife mistake it for food and then they die. So do you want to be killing wildlife? **Alyssa K**

I strongly believe that these tedious horrible to our environment and body and are WAY too expensive. You're probably thinking 'they're not that bad' but plastic takes YEARS to break down so would you want to be living in a world FULL of plastic? Plastic causes animals to suffocate and die. Turtles eat floating trash in the ocean thinking its their delicious prey, jellyfish. Plastic water bottles contain micro-plastics which, consumed over a week, can be the size of a credit card. Plastic water bottles are also very expensive. Why would you want to be paying \$5 or more when you can just get it from the tap? Take this as a reminder to not use plastic!!! **Roxy M**

Plastic non reusable bottles kill - I strongly believe that plastic water bottles are extremely putrid against the environment. Who wants to see our oceans, land and homes trashed with water bottles? Plastic water bottles are endangering our marine-life, are very expensive and can be damaging your health due to the micro-plastic which contains toxins to humans. Plastic bottles should be OUTLAWED. Time is ticking and fate is in your hands, everyone counts on you, so before purchasing a plastic water bottle, think of all the consequences you might cause! **Sam T**

Stop pollution and save the day - I strongly believe that these tedious, horrific plastic water bottles need to be gone. Water bottles take years to break down. When you drink from a drink bottle. You are ingesting micro plastic into your body which could cause cancer. 8 million tons of plastic goes in the ocean each year killing up to 1 million sea animals. 27.1% of people in Australia are still using plastic water bottles and if we don't stop using them the earth will fill up and we will die and there will be no earth. **Arelia S**

From the Pen of the Principals

Primary School

Dear Endeavour Schools' families,

On Wednesday, 1st July 2020 school reports will be sent to families via email. A note requesting updated email addresses is included with this newsletter. Please inform the front office if there are any changes in email address by Monday, 29th June at the latest.

I have thoroughly enjoyed reading about the progress our students have made over the last semester. I encourage families to take the time to review the comments that have been made, celebrate successes and set some aspirational goals for next semester. I would like to thank our staff for the time they have put into this semester's reports. If you have any queries about your child's report please make an appointment with their teacher.

Last Friday I was invited to listen to both our Junior and Senior choirs. As you may be aware our choirs have only just been able to begin working together again. They performed beautifully and it is evident they thoroughly enjoy being a part of the choir! I must acknowledge the work Mrs Nurse does with this group. She is well supported by Mrs Taljaard and Mrs Robinson.

Congratulations to our students who gained places in our cross country event. Thank you to Mr Nurse who has been very creative to ensure we go ahead with this event despite the restrictions as a result of COVID-19. We are still unsure if interschool events will go ahead next term. We will inform you as soon as we are aware.

I am looking forward to my first Endeavour Schools' Principal Afternoon Tea next Wednesday. This is a fantastic opportunity for us to celebrate the efforts of students who have demonstrated outstanding work throughout Semester One.

I'm looking forward to our Pyjama Day this Friday. Thank you to our P&C who are holding this event. Please give your gold coin donation to your classroom teacher. Funds are going towards the purchase of decodable reading books for our older students. These books are age appropriate and engaging for our middle and upper primary students.

I wish you all a safe and enjoyable break and look forward to working with you again next term.

Kind regards

Jennette Maxfield - Principal

Don't forget to wear your PJs to school on Friday. Just a gold coin donation to our P&C gets you a day to stay in your jammies ALL DAY and we can't wait!

Education Support Centre

Dear parents and caregivers,

As we reach the end of Term 2, it is time to reflect on all that our students have achieved this term. Reports will go home to all our families on Wednesday, 1st July. This semester we are going to be sending our reports home to you, both electronically and in paper format so that you have access to both to use or save however you prefer. As you will be aware, reports this semester will look very different as teachers will be providing comments on progress, rather than achievement of IEP goals. I will be sending all families an email to confirm we have the right details to send your child's report to but if you need any more information please do not hesitate to give us a call.

Next week on Wednesday afternoon, the Admin Team will have the pleasure of recognising students from across the school who have demonstrated OUTSTANDING classroom work this term at the Endeavour Schools Principal's Afternoon Tea. Unfortunately, this term we will be unable to invite the parents of these students to join us but the students will be able to share their great work and we'll be sure to take lots of photos for everyone to enjoy.

Ready, Set, Go is a pre-kindy program that Endeavour Education Support Centre run each year to support future students with disability in engaging with their parents or carers in the school setting. This is an extended transition program for children with disability who will be attending kindergarten in 2021. The program is conducted by our Education Support teachers and Education Assistants within our kindly/pre-primary classroom on a weekly basis.

Due to the COVID restrictions that were in place throughout this term we have been unable to start our program but with the easing of restrictions we are looking at starting up the program for 2020 on Friday mornings in Week 2 of Term 3.

Please contact me at school on 9524 5000 or email Jayne.Gorbould@education.wa.edu.au if you'd like any further information or just come along on Friday, 31st July from 9 – 10am and check it out. If you know of anyone with a child who could benefit from our program, then please pass on our details.

Kind regards,

Jayne Gorbould - ESC Principal

Award Recipients

from Assembly held on 19th June 2020

Honour	Values
EC1	Jaxyn W
EC2	Alexander M
Rm 3	Bodhi C
Rm 4	Heath S
Rm 5	Creedence A
Rm 7	Arelia S
Rm 8	Juliana B
Rm 9	Harrison I
Rm 10	Ruby M
Rm 11	Malakai A
Rm 12	Maddie C
Rm 13	Jett T
Rm 14	Zoe A
Rm 15	Khymarni K
Rm 17	Hunter A
Rm 18	Braxton T
Rm 19	Kyran A
Rm 20	Brodie W
Rm 21	Cullen B
Rm 22	Cambell B
Library Award	Rm 22
Phys Ed Award	Rm 12
LOTE Award	Rm 10

Congratulations to all award recipients.

Funny Pet Photo Challenge

If anyone has a funny photo of their pet, take it along to Chaplain Joané before the last day of this Term. The funniest, silliest pet photo will receive a Youthcare prize and the picture will be put in the next Newsletter for the whole school to see.

SCHOOL PHOTO DAY IS COMING!

Our school photo day is coming - Week 3 Term 3 (12th, 13th & 14th August 2020). More information is included with this Newsletter.

Please ensure that every child brings a drink bottle to school and that all items are clearly marked with your child's name (especially school jumpers)

Be informed ...

There are many ways to keep up to date with things happening in and around the school.

Newsletter – Goes home with the youngest in the family on a fortnightly basis, odd weeks.

App – Keep up to date with the Skoolbag app which is free (search for "Endeavour Schools" in either the Apple app store or Google Play).

Facebook - Search for 'Endeavour Schools'

Endeavour Schools website is located at www.endeavourschools.wa.edu.au

The **P & C** also have a **Facebook** page which has lots of useful information - Endeavour Schools P & C

NUT FREE SCHOOL

THANK YOU

Purple Certificate Winners

The following students are to be congratulated for demonstrating the positive behaviour expectations of Endeavour Schools. Super well done!

Name	Room	Name	Room
Jack C	4 (Orange)	Tyler A	21
Samara L	13	Calan D	21
Ameliah G	10	Axel Z	4
London S	13	David P	17
Sophie W	18	Tashwin R	21
Claire I	21	Mason H	18
Isaac T	8	Sienna S	22
Izzy K	8	Lulu F	13
Amelia B	10	Sienna P	17
Tysen C	9	Harper W	17
Jasper R	13	Harla C	12
Hayden P	18	Haylee G	10
Josephine P	4		

Congratulations to Jack C from Room 4 for being our first Orange Certificate Award winner.

For those who don't know, these are our lovely cleaning ladies. The staff of Endeavour Schools held a morning tea for them recently to show our appreciation for the great job they have been doing to keep us safe.

S.O.U.L. Soup Patrol

S.O.U.L. Soup Patrol is a voluntary group established to serve food and provide basic necessities and information on the streets to clients in and around Rockingham. It is run by volunteers and relies largely on donations from businesses and community organisations.

Endeavour invites all families to make a donation of non perishable items. Some suggestions are:

tinned spaghetti / baked beans / tinned meats / tuna
canned soups / canned fruit / cup-a-soup / cereals
rice, spaghetti & pasta / pasta sauce
coffee / tea / milo / long life milk
vegemite / peanut butter / jam
crackers / biscuits / muesli bars
Toiletries / can openers

Please send your donations to the office anytime between now and the end of term.

2021 Kindy Enrolments

Kindergarten and Pre-Primary applications for 2021 are now being taken at Endeavour Schools.

Applications close Friday, 24th July 2020.

Applications are required to be submitted with a copy of your child's Birth Certificate and current electronic Immunisation Record

Kindergarten age range **01/07/2016 to 30/06/2017**
(5 day fortnight)

Pre-Primary age range **01/07/2015 to 30/06/2016**
(5 full days)

Education support is available for students with a current diagnosis of Global Developmental Delay, Autism or a physical disability

Enquiries are welcome - phone 9524 5000

Education Support enquiries – Jayne Gorbould
