

6th August 2020

Issue 12

On Wednesday, 29th July, Rooms 3,4,5 and 6 celebrated their 100th Day of School. They started the day with a parade and some aged photo booths. Each classroom took part in special activities to celebrate the 100 days, including 100 fitness exercises, making 100s and 1000s fairy bread and writing about being 100 days smarter.

Reconciliation

From the Pen of the Principals

Primary School

Dear Endeavour Schools' families,

Last Friday we were able to hold our first assembly together as a whole school. It was so lovely for me to see all the students together and to be able to speak to them face to face rather than through WebEx. I was really impressed with our students' behaviour and the way they showed support for their peers who received merit certificates.

At this stage we will not be having class items as we need to ensure we are adhering to the COVID-19 requirements with physical distancing. If your child is to receive a merit certificate we would love you to come along to the assembly.

Students have been enjoying a wonderful display Mrs Grieve has set up in the Library around the theme 'Pirates'. I would like to acknowledge the work Mrs Grieve has put into this - it's very creative and engaging! Check out a couple of pictures below of this wonderful display.

We have just had our phone system upgraded and have a new telephone number for the school. Whilst the old number will be connected for the next twelve months you may wish to update the number in your records. Our new number is **9591 6100**.

2021 Planning

The school will soon commence the process of allocating students into classes for 2021. If you know your child/ren will not be attending Endeavour Schools next year, can you please advise the school office as soon as possible. Having accurate student numbers will ensure we are adequately staffed, will help us structure classes appropriately and will reduce the likelihood of us having to restructure classes in 2021.

Should you have any requests which are based on educational needs that you would like considered, please submit them in writing to the school office by Friday, 4th September. Whilst every effort will be made to accommodate requests, no guarantee can be given with regards to any placement.

Congratulations to our Interschool Cross Country Team who competed on Wednesday. We really appreciate all the work you put in to training and preparing yourselves for this event.

Jennette Maxfield - Principal

Education Support Centre

Dear parents and caregivers,

We've had a great start to the term so well done everyone! There's lots happening in classrooms across the school and we have seen so many children in the office with their fantastic work. Plus, we've been so impressed with the number of students who have been receiving their purple and now orange Endeavour Certificates for their consistently outstanding behaviour, both in our classrooms, in our specialist learning areas and in the playground. Keep up the great work girls and boys.

Last Friday we held our first face-to-face assembly with students since the COVID restrictions have been in place and our students, staff and parents of award winners all did a fantastic job of remembering to adhere to the social distancing rules that are still in place. We thank all of our school community for continuing to follow these rules when on our school site.

This term the day time cleaning of classrooms, wet areas, toilets, the library, staffroom and office is continuing with our trusty band of cleaners making sure that the hygiene in our school is top notch. Staff, students and visitors to our site are continuing to follow the expected community hygiene practices, particularly with the new hand sanitising dispensers which are located in our 'common public' areas for everyone to use each time before they enter the area.

Social distancing is our new way of working with other people and we are always working to ensure that we do this in keeping our school healthy (and happy).

The gardens are looking great at the moment and I'd like to thank our school gardeners Glenn and Chris, for the work they continue to do each and every week whether it's raining or not. Please let them know that you appreciate their work when you next see them out and about.

We are all looking forward to a productive term with lots of learning happening everywhere.

That's all for this time,

Jayne Gorbould - ESC Principal

School Photos - 12th, 13th & 14th August, 2020

The only method of ordering your photos is online through the Kapture website as your payment is secure and can be easily verified at any time. NO CASH WILL BE ACCEPTED.

Sibling orders can ONLY be placed online. Late requests cannot be granted.

You have the option to order a sibling photo package online, however please note **sibling orders will close in most instances at 12-midday sharp, one business day before the first photo date.**

Log on to kapture.com.au for your sibling photo order cut-off date and time.

Due to Covid 19 restrictions, the class group photo format has been modified whereby a full length 'character' pose will be taken of each student in a white studio. The photo is a fun shot with the view to students showing their personality – 'strike a pose'. These poses will then be combined with all students in the class to form the class group photo of 2020. An example of a character pose can be seen as a purchase option when ordering your photos online.

You can place an order online for class or individual photographs at any time for the remainder of the current school year. However, a \$20 fee will apply if you order more than 10 days after photography.

If your child is in a sports or special photo, you can use the same school code on your information flyer to view and order these photos on the Kapture website, around the time that school photos are ready to be delivered. Please note class, individual and sibling portraits are not available to view online prior to purchase.

Kapture offer a money back guarantee for any parent who is not fully satisfied with their photo package. Should you have any queries before or after photo day, please direct them to the Kapture office on **9240 1714** or email **enquiries@kapture.com.au**.

All students will be photographed individually on photo day for school administration records AS WELL as included in their class group presentation available for purchase to all families. Should there be any reason why your child should **NOT** be included in the photo shoot – please contact the school office.

2021 Kindy Enrolments

Although Kindergarten and Pre-Primary applications for 2021 are now closed, we are continuing to accept them.

Applications are required to be submitted with a copy of your child's Birth Certificate and current electronic Immunisation Record

Kindergarten age range **01/07/2016 to 30/06/2017**
(5 day fortnight)

Pre-Primary age range **01/07/2015 to 30/06/2016**
(5 full days)

Education support is available for students with a current diagnosis of Global Developmental Delay, Autism or a physical disability

Enquiries are welcome - phone 9524 5000

Education Support enquiries – Jayne Gorbould

Please note that we have just had our phone system upgraded and have a new telephone number for the school. Whilst the old number will be connected for the next twelve months you may wish to update the number in your records. Our new number is **9591 6100**.

As you are aware, the school has a fully automated system which will send a text message to the Parent Guardian #1 when your child is marked absent. If you reply to the message then we can amend our records. However, if you do not reply to the message, another message will automatically be sent 8 days later.

It is important keep your child's attendance records up to date at all times as this information appears on their reports.

COVID-19 Update

Our School community is reminded of the current requirements to maintain good hygiene practices and physical distancing of adults.

Daily cleaning regimes, access to hand sanitiser and actively promoting hand hygiene, physical distancing and coughing/sneezing etiquette will serve to keep Western Australia as safe as we can during Phase 4 of the WA Roadmap to Recovery.

All members of the school community must continue to practice good personal hygiene to better protect themselves and the general health of society. You may have noticed that we now have automatic hand sanitiser stations located at the front office and the Library. Please be sure to use these units sensibly.

Continue to keep up physical distancing of 1.5 metres where possible.

Interschool Cross Country Results

Despite all the disruptions caused by COVID 19 during Term 1 and 2, our 2020 Interschool Cross Country was finally held at Singleton Primary School on Wednesday.

Congratulations to all our Year 3 - 6 students who competed in the various events.

Special mention to the following students:

| | |
|-------------|--------------------------|
| Thanushri R | 2nd place - Year 3 Girls |
| Maisie Mc | 3rd place - Year 4 Girls |
| Arjay S | 3rd place - Year 6 Boys |

Congratulations also to our Year 6 boys team who placed 1st in their team events.

Thank you to everyone who helped with the organisation of this event.

Mr Nurse
