

Farewell From the Graduating Class of 2020!

The Graduating class of 2020 would like to thank the Teachers', Education Assistants, Administrative Team, The Endeavour Schools P&C and their families; for their love, dedication and support throughout their Primary schooling. Students were interviewed about their favourite memories from their time at Endeavour, with the Year Six school camp, Term Three Futsal competition and school excursions being the highlights for the students.

This year, the Year Six cohort have shown fantastic resilience, as they have missed many extra-curricular activities due to Covid-19 restrictions. The Year Six Staff are so happy and proud to have managed to provide our graduating students with the Year 6 Camp to Nanga Bush Camp and a visit to the Totally and Partially Disabled Veterans Club Rooms to name a few. Within the schools, students have participated in inquiry-based learning, mental maths challenges and school carnival. The Year Six students will attend a formal Graduation Assembly, followed by a Graduation Luncheon at the Secret Harbour Surf Life Saving Club on the 14th of December.

From the Pen of the Principals

Primary School

Dear the Endeavour Schools' Community,

2021 Class Lists

School staff have been working through developing the class structures for 2021. All class lists will be available for parents to view outside the school office and the Library on Friday, 29th January from 10.00am. The reason class lists are not released earlier is to allow for the processing of new enrolments at the start of the school year.

Student Reports

Student reports will be emailed home next week. It was pleasing to read the improvements that many students have made over the course of this semester. I encourage families to take the time to read the report comments with their children, celebrate successes and reflect on areas for further development in 2021. If you have any queries please contact your child's teacher.

Staff Changes

At this time of year we do farewell some staff and thank them for their work at Endeavour Primary School. As I've mentioned previously we are very lucky to have such a dedicated and passionate staff group at our school. I would like to thank Mrs Michelle Cox and Ms Sam Thomas for the contributions they have made to our school and students. We wish them all the best with their future endeavours. A number of new staff are joining our school community next year who will be introduced in our first newsletter next year.

End of Year Concert

The concert was a wonderful way for Endeavour Schools' community to end what has been a challenging year for everyone. As I said at the closing; it was so lovely to see all students joining in and really enjoying themselves.

As Term 4 comes to an end, I would like to extend to our whole school community my best wishes for a happy and enjoyable summer break. To those families that are leaving us at the end of the year we wish you all the best for a successful future.

I look forward to working with you all in 2021!

Jennette Maxfield – Principal

Education Support Centre

Dear Parents and Caregivers,

Last week we had our final Walk Safely to School Day for the year from our regular meeting places and great support from our families. Thank you to all our wonderful staff who participated in either the walk to school or preparing and serving the fruit for the students when they arrived at school. Funding for the fruit for our Walk Safely to School Days is provided by the City of Rockingham each year as part of our participation in our community. Walking or riding to school is a great way to start each and every day if you can. With the great weather at the moment, I encourage families to take the opportunity to walk or ride to school more often.

Semester 2 Reports

This year we will be sending our Semester 2 Reports home via email on Tuesday, 15th December. I ask that you please make sure that the office has your current email address and that if you require another report for your family to be sent to a different email address then please make sure we have that as well because we only send the reports home to the first email address listed for your child. If you need a paper copy of your child's report, then please let me know and I'll send one home with them before the last day.

2020 End-of-Year Concert

What a fantastic night we had! The students are to be congratulated on their performances on the night and we can't thank our staff enough for the amazing work that went on behind the scenes in order to provide this opportunity for our students and their families. Great effort everyone

We will continue to bring you the highest quality of staffing across all our classes both now and into the future. We select highly trained, experienced and collaborative staff who have student outcomes and inclusion as their priority.

Our annual Volunteers Morning Tea was held recently as our THANKYOU to everyone who helps out at our Schools. Our Schools' Junior Choir did a fantastic job with the entertainment. We recognise that everyone is busy in their lives but please know that our students and staff sincerely appreciate your on-going support for our Schools through your time and expertise. We encourage everyone to participate in any way that they can, whenever they can, because it does make a difference!

Regards,

Jayne Gorbould
ESC Principal

First day Term 1

Congratulations to Angus and Izzy who were on the Rockingham Junior Council this year and attended their Graduation this morning. They are proudly picture below with Rockingham Mayor, Mr Barry Sammels.

Congratulations Izzy and Angus and all the very best for 2021 in your future endeavours.

Throughout the year teachers in classes from Years 3-6 conduct regular tables challenges so students can try and reach the top of the class leader board.

At the end of the year the class champions compete for the year level trophy.

The tables champions for 2020 are:

Year 3: Noah B-C
Year 4: Ethan T
Year 5: Billy W
Year 6: Rydah T

Well done everyone!
The competition will run again next year because it really encourages all students to learn their basic number facts.

Music News

Well, another successful End of Year Concert was held on the oval last night.

Huge congratulations to all classes for your magnificent items for our 'Fun Times' Concert.

Despite the COVID protocols, our parents and families were extremely accommodating and supportive during evening with a great night had by everyone.

The 'Fun Times' Concert was videoed on the night. If you would like a copy of the video, please send an 8gb usb / thumb drive to the office in an envelope clearly marked with your child's name and classroom number.

Thank you very much to Bob Appleyard and Daniel from Music Force Mandurah, for being our sound technicians on the night. They were very professional and it was a pleasure to work with them.

The choir performance at the Rockingham Christmas Festival last Saturday was outstanding. Thank you to our parents, carers, staff and students for your support.

Our Junior Choir performed at our Volunteer Morning Tea last Tuesday and are to be commended for their energetic and enthusiastic singing and actions. Everyone loved it and a warm fuzzy feeling was felt by all who were watching. Congratulations to Joseph K and Arelia S for their flute playing welcoming our guests.

A massive thankyou to Mrs Taljaard, Mrs Robinson, Miss Simmons and Mrs Brennan for your efforts with our Choirs during this very challenging year.

Endeavour's Mini Talent Concert will be held on Thursday 17th December from 1:45 - 2:30pm in the undercover area. Parent chairs will be spaced apart, as per recent assemblies. After this low key concert, students will return to their classes to finish the day with their teachers.

Dear Endeavour Schools' families,

From the bottom of my heart, I want to thank everyone for all of the kindness throughout the year and I want to wish you all a Merry Christmas and a Happy New Year. Once again, it's been a great pleasure being your school chaplain this year and I am so excited to be with you again in 2021 where we will make some brand-new memories. To all of the Year 6 students, the sky is your limit! It has been a privilege to see you all grow throughout the two years that I have been with you. Go make your mark in the world.

See you all in the new year!

Joané Grobbelaar
