Primary Principal's Report

Dear Parents, Caregivers and Community Members,

Welcome back from what I hope was a relaxing and enjoyable break!

Sadly, we farewelled Mrs Jayne Gorbould at the end of last term. Mrs Gorbould was a foundation staff member at Endeavour Schools and has worked in various teaching roles over the last 21 years. She has been Principal of the Education Support Centre for the last 14 years. I have had the privilege of working with Jayne since my commencement at Endeavour Primary School. Jayne was a great support to me and I have learnt a lot from her. We will miss her and wish her all the best in her future ventures.

I would like to extend a warm welcome to Ms Julie Belohlawek who is Acting Principal in the Education Support Centre for this term. Julie comes with a wealth of experience and I am looking forward to working with her.

Today we had our Faction Athletics Carnival. Mr Nurse will be retiring at the end of this year so today's carnival will be his last. Thank you for joining us in making this the best carnival yet!

We currently have some magpies nesting in the trees on the South Oval near the jump pits. The magpies are fine when there is a large crowd of people and we have found that we haven't had any problems with them swooping whilst there are big groups of students. Please encourage your children to keep away from this area for the next two weeks.

We are currently planning our classes for 2023. If you have any concerns or special requests regarding your child's placement, PLEASE let me know as soon as possible. I want to make sure that we give our students the best start to the year that we can.

Kind regards

Jennette Maxfield

Education Support Principal's Report

Dear Parents and Carers,

Welcome back to Term 4, which promises to be both busy and exciting. It has gotten off to a fantastic start, with many rich learning experiences taking place both inside and outside of the classroom. I saw

many students engaged in rich writing and oral language experiences while walking around the schools. Jayne Gorbould, as you are all probably aware, has left the school. I would like to thank her for her dedication, commitment, and personal touch at Endeavour ESC; I know she will be missed. We wish Jayne the best of luck on her new adventures.

I have come from Victoria Park PS to Endeavour ESC, and I bring with me knowledge and experiences from 29 years in education, of which over 14 of those have been in leadership positions, including being the Principal of Rockingham Lakes and Coogee PS.

Since we are the Endeavour Schools, I will be working closely with the principal, Jennette Maxfield, and other Endeavour PS and Endeavour ESC staff to strengthen and maintain the close relationships that already exist to maximise the learning opportunities and social and emotional outcomes of all children across our schools. I will also be collaborating closely with the School Board and the P&C.

Just a quick update on the school's building and construction projects. Our ACROD bays in the carpark have been upgraded to make it easier for our students and parents to use. The roof has just been installed on the new rooms being built to the side of the library, indicating that the project is nearing completion. We have also just received confirmation that a tactile pathway will be installed during the holidays to give our visually impaired students more independence in the future.

I am excited to meet and speak with parents and caregivers in and around the school, at the P&C, Board, and at the many events taking place this term. Thank you so much for welcoming me to your school. It is a fantastic community to be a part of. I hope everyone had a wonderful time at the Faction Carnival today. I wish you all the best in the coming weeks.

Warm wishes

Julie Belohlawek

Please let the office know if your child will not be doing swimming lessons.

Parent Café

We invite all Parents and Carers to come and enjoy a coffee on us at our new Parent Café. The make-shift café is set up in Room 19 and will be open every second Friday after Assembly.

The Parent Café provides our school community with a safe, supportive space where you can connect with each other in a relaxed setting. There are also resources on offer and an opportunity to engage with occasional guests from external agencies.

We hope to see many Parents and Carers at our next Parent Café morning following our Assembly.

Music and Drama News

Drama Club concluded last term with a wonderful double performance of 'Cinderella'. Congratulations to all of the actors and behinds the scenes members. We are very proud of your terrific achievement and effort, commitment to the goal and teamwork on the day.

A huge thank you to Dale Vlahov and Skye Sweeney for making so many props and costumes, and also to our parents and relatives who sewed costumes for the actors and actresses. Thank you to Mr Nurse for setting up the curtains.

Junior Choir was fantastic at the Rockingham Choir Festival last term. You did your school very proud with your captivating item, 'We Don't Talk About Bruno' and your gorgeous singing of the massed choir songs with the other 300 children.

Thank you very much to Catherine Carter for making all of the flower clips for choir members, and also to the staff members and students who made the scarves.

It has been lovely to provide our students with these enjoyable experiences in the performing arts, with extra special looking costumes, props, stages, curtains etc.

This term's special performing group is choir, Year 2-6. Our performance goal is the City of Rockingham Christmas Festival on Saturday, 10th December, at Churchill Park, Rockingham. Our time on stage (at the

Lookout) is 5:40 to 6pm. The festival is from 5pm to 8:30pm. Entry is free and parents will be asked to provide transport. Details coming soon.

Music Assembly is on Friday, 18th November. Come along to see some special dances and instrumental items.

Save the date: End of Year Concert, Thursday, 8th December 5:30pm to 6:30pm on the oval. This year's theme is Australia. If anyone is available to play the didgeridoo at the end of year concert, please contact Mrs Nurse or the front office.

Endeavour Tokens

We have an increasing number of students celebrating achieving all levels in the Endeavour Schools Token System. This week we have started to see some students achieve their second purple level. Tokens are given out to students who demonstrate the positive behaviour expectations of Endeavour Schools.

There are 5 levels of achievement:

20 tokens = Purple Award - Certificate

40 tokens = Orange Award - Certificate and icy pole

60 tokens = Bronze Award - Certificate and extra play time

80 tokens = Silver Award - Certificate and quality prize

100 tokens = Gold Award - Certificate and badge

These awards are highly valued by the students. We are going to acknowledge the recipients for each month in the newsletter. Congratulations to those students who have achieved their certificates.
